

IMPORTANT SECURITY UPDATE

Please note that beginning September 10th 2018 when logging into Business eBanking you will periodically receive the Splash Message below. Once you have downloaded this enhanced security feature you will no longer receive it.

At Presidio Bank, your security is our top priority. That is why we have worked with IBM to offer Trusteer Rapport, online fraud protection software – at no cost to you.

***Your account is nobody else's business.
Keep it that way.***

Download IBM® Security Trusteer Rapport®.

Protect your corporate account against cybercriminals and fraud.

Works with antivirus solutions, stopping threats they can't protect you from.

Trusteer Rapport is effective, easy to use, and won't slow down your computer or impact your work with other business applications.

This is a free service provided by the Bank to help protect your use of online banking.
